

Central Maine Regional Health Care Coalition (CMRHCC) AGENDA

Hazard Vulnerability Analysis / Training & Exercise Workshop

Date: Thursday, April 27, 2017
 Time: 8:00 AM – 4:00 PM
 Location: Central Maine Medical Center, 12 High Street, Lewiston, ME
 Conference Rooms A, B, C

Time	Topic	Presenter	Misc.
<p>The purpose of this workshop is to complete the Hazard Vulnerability Analysis to determine areas of vulnerability relative to potential but likely hazards that threaten citizens of Central Maine. Once the hazards have been ranked they will then be folded into a training and exercise planning workshop to determine training and exercise initiatives of the region.</p>
